REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or fairly suggest a method or apparatus for solving an unconstrained interval global optimization problem specified by a function f of a vector x including performing a interval global optimization process to compute guaranteed bounds on a globally minimum value of the function $f(x)$ over a subbox X by of applying term consistency and box consistency to the set of relations associated with the function f over the subbox x , and performing an interval Newton step on the subbox X as recited in independent claim 1, 13 and 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
